

Drive Safe Program

The DriveSafe program is to assist and help members of Defence Special Needs Support Group Ltd. (DSNSG) families with ASD and ADHD, to gain confidence and self-esteem when learning to drive (16 years and above).

To be approved for the program:

- You must be member of DSNSG for a minimum of 6 months
- Membership details are up to date
- Members are required to pay a contribution of 1/3 toward the Driving Lessons. The invoice is only valid for 30 days
- Members must provide supporting documentation from a specialist or allied health professional of diagnoses
- Dependent needs to be over the age of 16 years and hold a current learner's permit. Other ages will be considered under *Exceptional Circumstances* at the discretion of the appointed Board.

All applications are approved for 20 lessons with a complimentary trial lesson.
